UNIVERSITY OF LEEDS

Hello Varsha,

Thank you for accepting the International Masters Regional Scholarship. We've received your submission and our admissions team will apply your tuition fee deduction subject to you meeting the eligibility criteria.

What's next?

To confirm your scholarship, please send us your results and confirm your place by paying your tuition fee deposit as soon as possible. If you've already done this, then you don't need to do anything further.

To submit your results please log in to your applicant portal and go to the 'Application Decisions' tab, under the 'Applications' section, where you can upload your document against the relevant condition.

Receiving the scholarship

The scholarship is a tuition fee discount which will be automatically applied if you are registered at the University on 30 January 2026.

As the scholarship is awarded at the beginning of the second semester, we recommend that you pay your tuition fees via an instalment plan.

The scholarship will be deducted from the second instalment of your tuition fees, due in February 2026.

Further guidance and frequently asked questions are available on our [International Masters Regional Scholarships page](#).

Best wishes,
